Charles Sturt University’s (CSU’s) Australian Graduate School of Policing and Security (AGSPS) is one of Australia’s leading providers of national security and law enforcement education and training.

The Master of Terrorism and Security Studies at AGSPS will give you the skills and knowledge you need to lead complex terrorism and security-related operations. Ideally suited to professionals seeking to work in the areas of counter terrorism, intelligence, law enforcement and the military, this course offers important knowledge across terrorism in cyberspace, terrorist financing and resourcing, and illicit network analysis.

Why study CSU’s Master of Terrorism and Security Studies?

- Develop your research and analysis techniques and capability regarding cyber terrorism, terrorist financing and illicit networks.
- Build advanced skills in applying research and investigative initiatives to strategic planning and management.
- Raise your technical and communication skills to a leadership level.
- Build on your study to achieve the right level of qualification for you through this articulated program.
- Choose electives that best meet your personal interests and needs.
- Gain an internationally recognised postgraduate qualification.
- Learn from our world-class team of academics and experienced professionals.

Online study

This course can be completed online, part-time, over three years – giving you the flexibility to fit study into your lifestyle. Apply your learning to add value to your professional environment in real time.
