

## **ACADEMIC SENATE COMMITTEES 2019-2020 / 2021**

### **Academic Senate**

**One of six members of the Professoriate**

### **Candidate Statement**

#### ***Associate Professor Jenny Kent***

I have had the privilege of sitting on Academic Senate as a representative of the Faculty of Business, Justice and Behavioural Sciences for the past two and a half years. In that time I have also served as a member of the Academic Senate Standing Committee that deals with a range of urgent issues between scheduled formal meetings.

As a member of Academic Senate I have taken the opportunity to make submissions and raise queries and concerns on a range of issues on the Senate agenda to ensure that the interests of the Faculty have been represented in Associate Dean Academic, I believe my breadth of experience in a range of teaching, research and leadership roles at CSU allows me to bring a considered, informed and balanced view to deliberations enabling me to ably represent the diverse interests of the Professoriate.
